
Distribution Mapping and Analysis Portal (DisMAP)

INTRODUCTION

1. Background

Understanding how species are distributed in space and time and the factors which drive spatial patterns in distribution and abundance are central questions in ecology and important for species conservation and management. In fisheries stock assessments species distribution knowledge is used to identify stock structure and boundaries. Species distribution information also comes into play when making large scale marine spatial planning decisions, such as Marine Protected Area designations, or locations of human activities such as off-shore wind-farms or shipping lanes. However, as climatic and environmental conditions change, fish species may see changes in their productivity or their preferred locale (Pinsky et al. 2013, Poloczanska et al. 2016, Barange et al. 2018). Shifts in species distributions are already occurring at alarming rates, with one estimate placing it at 72 km/decade on average (Poloczanska et al. 2013). Well known examples of these shifts include mackerel in the eastern Atlantic and blueline tilefish and black sea bass in the western Atlantic which have all seen northward shifts in their distributions.

These shifts in distribution pose a central challenge to fisheries managers (Karp et al. 2019) as they can and already are having significant impacts on key management decisions. For instance, if a species moves out of its historical range, it may not be adequately sampled by research surveys, leading to biases in the index of abundance obtained from the survey data. Another complication can occur when a species shifts across management boundaries. This can be particularly challenging when the species is new to the management area into which it is shifting, and therefore no management regime is in place for it. Allocation also becomes an issue when species shift across management boundaries, as the fishermen in the species' historic range may want to maintain their historical allocation, and the fishermen in the area into which it has moved may also wish to be allocated some quota.

Given the potential impacts of shifting distributions on sustainable fisheries management, marine spatial planning and the cross-jurisdictional nature of the issue, it is crucial that scientists and managers have access to information on historic and projected stock distributions for use in decision-making. In a 2016 questionnaire, information on shifts in fish distributions ranked in the top two most important information needs among both fishers and non-fishers (MAFAC 2017). Although NMFS and partners collect extensive information on the distribution of species through surveys, and are increasingly conducting research into the distributions of fish stocks, this information is not currently available in a consistent, useful, easy to access format across regions. Species distribution modeling (SDM) analysis is done within a region on an ad hoc basis for specific stocks, generally relying on data from surveys from within that region. The primary public outlet for much of this SDM research is through peer-reviewed publications, ecosystem status reports, and/or stock assessment reports. However, there are several examples of online platforms which present species distribution modeling results to the public and resource managers, such as [OceanAdapt](#) and [Mid-Atlantic Ocean Data Portal](#). These portals have shown promise as decision support tools for fisheries managers, however these existing platforms and outlets do not enable easy

comparison between stocks within and across regions, or for the interactive exploration of results. Additionally, the SDM results and information are scattered between these various outlets making it challenging to find and compare information across stocks and regions.

Considering the large amounts of research on understanding species distributions, advancements in species distribution modeling, the clear management implications of shifting distributions, and the cross-jurisdictional nature of the issue, NMFS initiated development of a new portal building off of existing platforms to pull together the wealth of information on species distributions and provide robust information on marine species distributions to support science and management spanning across regions. The goal of the portal is to enable improved data integration, access to model results, and knowledge sharing across regions, to enhance not only NMFS ability to track species distribution shifts as they move across management boundaries or out of or into survey domains, but to also track NMFS progress and efforts to understand and account for these shifts.

This NMFS Technical Memorandum summarizing the data processing, quality control, analyses, and content of the DisMAP as of **July 25th 2025**.

2. Revision History

March 2022:	Portal published.
December 2022:	Hawaii Deep 7 distribution products and BFISH survey data added to portal
April 2023:	Annual data update; Addition of Northern Bering Sea region; change in species filtering criteria to also have to be present in >5% of hauls each year as well as present in at least 3/4 th of survey years
June 2024:	Annual data update. Fixed several issues with the GMEX code including: (1) issues with merging of Tow (invrec) and bio (bgsrec) tables, (2) taxonomic coding issues – used a new biocodes table, (3) problematic taxa with known identification issues in the field.
June 2025:	Addition of Species Persistence module; includes analyses for annual biomass percentile and persistence trends. Additional fixes to the GMEX compile script.
July 2025:	Annual data update. Addition of haul frequency metric to Species Persistence module (beta version).

SPECIES DISTRIBUTION PRODUCTS

3. Data Sources and Data Processing

In this latest version of the portal, species distribution products are derived from regional fishery-independent survey data. For the continental U.S., the survey data comes from regional fishery-independent bottom-trawl surveys. Survey data for Hawai'i is for the Deep-7 species complex only and comes from the Bottomfish Fishery-independent Survey in Hawai'i (a.k.a., BFISH). When more than one survey is conducted in a region (e.g. spring, summer, and fall) we analyze each season separately.

These survey data can be accessed through regional databases (see Table 1) or through reaching out to survey leads and exist in many different tables and formats. The first step in making these data available in DisMAP and in a format which can be used to develop the subsequent species distribution products, is compiling and processing the data into a standard format with common data structure and variable names.

Region	Season	Duration	Taxa ≥ 2 of years	Taxa ≥ 3/4 of years	Core species	Data filtering notes	Data Source
Aleutian Islands	Summer	1991-2024	56	37	24	none	https://www.fisheries.noaa.gov/foss/f?p=215:28:11659615688681:::
Eastern Bering Sea	Summer	1982-2024	77	43	29	remove years 1982, 1983, 1984, 1985, 1986	
Gulf of Alaska	Summer	1993-2023	75	50	31	remove year 2001; strata ≥ 11 years	
Northern Bering Sea	Summer	2010, 2017-2023	56	48	43	none	
West Coast Triennial	Summer	1977-2004	66	43	33	keep only strata sampled all 10 years of survey	https://www.webapps.nwfsc.noaa.gov/data/map
West Coast Annual	Summer	2003-2024	123	83	61	Keep only strata sampled in ≥ 20 years	
Gulf of Mexico	Summer	1982-2024	205	126	88	keep years ≥ 2008, drop 2022; keep strata sampled 13 of years 2008-2021	https://seamap.gsmfc.org/
Southeast U.S. Shelf	Fall	1989-2024	110	59	35	Keep only strata sampled >31 years	http://www.seamap.org/datapage.html
	Spring	1989-2024	108	52	27	keep only strata sampled ≥ 29 years of survey	
	Summer	1989-2024	108	59	36	Remove year 2021 (poorly sampled)	
Northeast U.S. Shelf	Fall	1963-2024	92	47	23	keep years > 1973, dropped 2017; keep strata sampled all but 2 years	https://www.fisheries.noaa.gov/inport/item/22560
	Spring	1968-2024	67	42	25	keep years > 1973, drop 2023, 2020, 2014, 1975; keep strata sampled all but 2 years	https://www.fisheries.noaa.gov/inport/item/22561
Hawai'i Islands	Fall	2016-2023	7	7	7	none	https://www.fisheries.noaa.gov/inport/item/20969

Table 1: NOAA Fisheries fishery-independent surveys compiled for this analysis, including season of the survey, duration, number of taxa sampled in at least 5% of tows in a year in at least 2 of the survey years, at least 3/4th of the survey years, or all of the survey years (core species), notes on which strata and years were kept or removed through the data processing, and links to the original data source for each survey.

This was carried out using an R script originally developed by the Ocean Adapt team at Rutgers University (OceanAdapt 2021) and modified to meet the needs of DisMAP. The code combines the various tables for each region, removes unnecessary columns, and renames columns as necessary to have standard column names across the regions. Additionally, for three regions (Southeast, West Coast (annual and triennial), and Gulf of Mexico) the wtcpue is not reported and therefore is calculated in the R script. This involves calculating the area swept for each haul associated with each weight, and then dividing the weight by the calculated area swept, to get the weight per unit effort (kg per ha). To ensure that changes in survey extent over time do not impact the estimate of distribution shifts, we also standardize each survey to a consistent spatial footprint by removing strata which have poor temporal coverage. Years with poor sampling coverage are also removed from the dataset used for analysis (see Table 1 for notes on data filtering in each region). In Alaska and the West Coast, we combine some species into species complexes due to difficulty in distinguishing them to the species level and/or to keep consistency with how they are assessed for management purposes.

After this data cleaning process, the following standard set of columns are selected for each region: region, sampleid, year, lat, lon, stratum, stratumarea, depth, spp, wtcpue. At this point the cleaned and filtered regional datasets are combined into one table, and a final taxonomic QA/QC is conducted. This QA/QC involves removing higher taxon codes (such as family or order level classifications), which are generally used as a ‘catch all’ for hard to identify specimens within those families or orders, and species that are poorly sampled by the trawl gear (see Appendix II for list of taxon removed). These higher order categories are retained only when there was an explicit decision to lump species together into species complexes (e.g., *Bathryaja* sp. or *Doryteuthis* sp).

Following the taxonomic QA/QC, the data is further trimmed to include or exclude species for analysis in each of the three modules. The dataset is expanded to include zeros for when a species that is found in the region is not caught in a particular trawl. Then, we identify species that are caught in at least 5% of tows per year in at least 2 years in each region for analysis in the Species Persistence module. For analysis in the Single Species Shift module, we identify species that are caught in at least 5% of tows in at least 3/4th of the survey years in each region. Finally, species that are caught in at least 5% of tows for all survey years in a survey region are captured for the Regional Shift Summary module (see Appendix I for the list of all species included in the modules).

4. Bubble Plot

Each raw observation of wtcpue for a species from the compiled dataset is provided and can be plotted as a circle on the map, where the circle size is proportional to the wtcpue (kg per ha).

5. Interpolated Biomass Distributions

The distribution surface is generated by using the inverse distance weighting (IDW) interpolation method in a Python script. The IDW approach is used as it is a simple, relatively easy approach to apply across the large number of species collected in the surveys. The approach makes it possible to predict and interpolate unobserved densities at any location in the survey area. For this approach the wtcpue data from the compiled dataset described in section 3 is cube-root transformed prior to interpolation, and

transformed back to original units (cubed back to kg/ha (wtcpue) values) for all further analysis described below. However, the raster displayed on the map is the cubed root values for improved visualization. Interpolation weights in IDW are computed as a function of the distance between observed sample sites and the site at which the prediction is to be made, with the weight being the inverse distance raised to the power of 2. The search radius used with IDW was 200,000 m (200 km), with 10 being the minimum and 15 being the maximum number of sampling sites included in the interpolation.

In addition to spatial weighting, the IDW approach used here includes temporal weighting. A five year window of data is used, with data from the mapped year having the highest weight in the interpolation and data from 2 years prior to and after the mapped year having much lower weights. This weighting is determined as follows:

$$\text{YearWeights} = 3 - (\text{abs}(\text{Tc} - \text{Ti}))$$

where Tc is the year being mapped Ti is the year of the samples. This year weighting is then applied to the weighting scheme by multiplying the year weighting by the distance weighting in the mapping. Note for surveys that don't sample annually (e.g. West Coast Tri-annual, Aleutian islands, Gulf of Alaska) this weighting results in the use of only the data for the year being mapped, as the other years are further than 2 years out on either side of the year being mapped so are given a weight of zero. The interpolation is carried out using a 2km x 2km grid cell size for the bottom trawl survey data and a 500m x 500m grid cell size for the BFISH survey. The interpolation boundaries were either provided by regional survey subject matter experts, or when not available, were determined by examination of the full survey footprint and the available observations from the trimmed dataset (e.g. in some regions the full survey footprint is trimmed to account for the removal of certain strata from the dataset due to poor temporal coverage in those strata). It is important to note that the choices of weighting, transformation, and pixel cell size, can have significant impacts on the resulting interpolation surfaces.

6. Species Persistence

6.1. Annual biomass percentile

The annual biomass percentile is evaluated by calculating percentile of biomass of a specific species and categorizing the percentile value into one of six bins. First, total biomass is calculated for each species in each year for each survey. Then, percentiles are calculated relative to all the species biomass in that survey region across survey years. Species that have zero biomass in a survey region for a survey year will have a percentile value of zero. Any species that has a survey biomass greater than zero for a survey year will have a rank-based percentile value, in comparison to all the biomass values in that survey region across all survey years. The percentile values are then binned as being "Absent" (biomass and percentile of 0), "Rare" (< 10th percentile), "Less Common" (10th - 25th percentile), "Common" (25th - 75th percentile), "Abundant" (75th - 90th percentile), or "Highly Abundant" (> 90th percentile).

6.2. Persistence trends

We examined changes in the presence and absence patterns of each species in each survey. A species is marked as present in a survey year when its recorded total biomass is greater than zero and absent if its biomass is zero. Based on the trend of species presences and absences during the survey years, each species is assigned to one of seven Trend Categories (see Table 2 for Trend Category descriptions).

Table 2: Descriptions of trend categories applied in Species Persistence analysis.

Trend Category	Definition	Metrics
Persistently Present	Consistently observed in surveys across years	Observed in $\geq 85\%$ of survey years
Emerged	Species previously wasn't observed in surveys and now is consistently observed in surveys	Observed in $\geq 50\%$ of years, observed more in the second half of the survey years (compared to the first half of survey years), observed in $\geq 75\%$ of the second half of survey years, and observed in at least nine (presence ≥ 9) of the final ten survey years
Potentially Emerging	Species previously wasn't consistently observed in surveys and now consistently observed in surveys	Observed in $\leq 50\%$ of years in the first half of survey years and observed in at least four (presence ≥ 4) of the final five survey years, or has one switch from not being observed to being observed (referred to as a "colonizing event") and has zero switches from being observed to not being observed (referred to as a leaving event)
Potentially Disappearing	Species was previously observed in surveys but is potentially shifting towards being consistently not observed in surveys	Observed in $\geq 50\%$ of years in the first half of survey years and observed in at most one (presence ≤ 1) of the final five survey years, or has one switch from being observed to not being observed (leaving event) and has zero switches from not being observed to being observed (colonizing event)
Disappeared	Species was previously observed in surveys but now is consistently not observed in surveys	Observed in $\leq 50\%$ of years, observed more in the first half of the survey years (compared to the second half of survey years), observed in $\leq 25\%$ of the second half of survey years, and observed in at most one (presence ≤ 1) of the final ten survey years
Sporadic – Primarily Present	Species is observed in over half of surveys but observations in surveys are inconsistent	Observed in $\geq 50\%$ of years
Sporadic – Primarily Absent	Species is observed in less than half of surveys and observations in surveys are inconsistent	Observed in $< 50\%$ of years

7. Single Species Shift

7.1. Latitudinal center of gravity

The latitudinal center of gravity is the center of a population's distribution as indicated by the average latitude weighted by the biomass at each latitude within the survey domain. It is the geographic center of

$$\text{COG}_{\text{year}} = \frac{\sum_{i=1}^k (d_i \times t_i)}{\sum_{i=1}^k t_i}$$

the total weight of the entire population. This metric is calculated using a Python script after the interpolated distribution surface is generated. The latitudinal center of gravity is the mean latitude of the species distribution, where each raster cell latitude is weighted by the value of wtcpue for that cell. This is shown in the formula below:

where d_i is a value of latitude associated with a raster (estimation) grid cell i . t_i denotes predicted (interpolated) wtcpue value at each raster (estimation) grid i . k is the total number of estimation grid cells in the study area. The result is one COG value for each year in the time series, for each species.

7.2. Range Limits

The species range limits are the geographic boundary beyond which a species does not occur. This can also be thought of as a measure of the location of the leading and trailing edges of a species' range. This metric is calculated based on the interpolated biomass raster layers. The min latitude (southern range limit) is the latitude where 95% of the species distribution/biomass (or latitudes where wtcpue > 0) are north or this value (so it's the 5th percentile), and the max latitude (northern range limit) is the lat where 95% of the species biomass is south of (below) this latitude.

7.3. Depth center of gravity

This metric is similar to the latitudinal center of gravity, but instead of being the average latitude weighted by biomass, it is the average depth weighted by biomass. This metric is calculated in Python after the interpolated distribution surface is generated. It is the mean depth where each raster cell depth, taken from bathymetry values within each 2 km grid cell, is weighted by the value of wtcpue for that cell, and follows the same formulation as Lat COG, but the d_i value is the depth of the grid cell, instead of lat. The result is one depth value for each year in the time series, for each species. Bathymetry data was obtained for the Aelution Islands, Eastern Bering Sea, and the Gulf of Alaska from the Alaska Fisheries Science Center, for BFISH from the Pacific Islands Fisheries Science Center for the BFISH data, and for the remaining regions from GEBCO (GEBCO 2021).

7.4. Area Analysis

This analysis is conducted based on the interpolated distribution surface layers, and is done in real-time based on user selected species and either selected or drawn area of interest. Two area analysis are calculated as:

- a. the proportion of the selected area where the species is present (i.e., $w_{tcpue} > 0$ (or some other threshold?). Area of grid cells within selected area where $w_{tcpue} > 0$ divided by total area of selected area (in km²).

$$= A_{\text{area,species}} / A_{\text{area}}$$

- b. the proportion of the species biomass distribution found in (or covered by) the area of interest. This is calculated by summing the biomass for grid cells found within the area of interest, and dividing by the total biomass of the species in each year.

$$= \text{Biomass}_{\text{area,species}} / \text{Biomass}_{\text{species}}$$

8. Regional Shift Summary

8.1. Species Richness Maps

Species richness maps are calculated for each region separately, and display the number of species present in each raster cell within a given region's survey domain. These maps are calculated by stacking each individual species' IDW biomass raster layers and counting the total number of species present in each cell. A species is considered present in a cell if the $w_{tcpue} > 0$. It's important to note that these maps provide the predicted species richness, or number of species expected to encounter in the trawl survey at a given location, and do not reflect the species richness for the ecosystem as a whole.

8.2. Distribution Metric Regional Averages

For each region the average change in center of biomass is calculated (in terms of both Latitude and Depth) of a core set of species, defined as species that are caught every year in the survey. This is done by calculating the 'offset' or difference between each year's center of gravity and that of the starting year. Thus the first year is standardized to zero and all other years are calculated as the difference from that starting year. The annual average of these individual species offsets is then calculated for the core set of species in each region, and then plotted on a time-series graph to enable evaluation of the overall change in center of biomass of species for a given region.

FUTURE DIRECTIONS

9. Additional Data Types

This first release focuses on fisheries-independent survey data in the US, but future iterations of the portal will seek to include additional survey data and model outputs both within the US regions and Canada. We will build off existing partnerships between the Ocean Adapt team and Canadian researchers in the Department of Fish and Oceanography (DFO) to explore ways to incorporate Canadian survey data and models into the portal. In addition to expanding the surveys covered in this portal, we will also be exploring ways to bring in results of environmentally-linked species distribution models for display within the portal. Incorporating these model outputs not only will serve to improve access to and sharing of model code and results, but will also enable us to present predicted future shifts in distributions.

Our goal with working to incorporate these additional data sources and types is to help advance a community of practice among researchers and managers from around the U.S. and internationally who deal with the issue of shifting species distributions.

**APPENDIX I: LIST OF THE 625 UNIQUE SPECIES RETAINED AND PRESENTED
ON DISMAP**

Species Name	Common Name	Region
<i>Acantholumpenus mackayi</i>	Pighead prickleback	Northern Bering Sea
<i>Acanthostracion quadricornis</i>	Scrawled cowfish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Achelous gibbesii</i>	Iridescent swimming crab	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Achelous ordwayi</i>	Silvery-clawed swimming crab	Gulf of Mexico
<i>Achelous spinicarpus</i>	Longspine swimming crab	Gulf of Mexico
<i>Achelous spinimanus</i>	Blotched swimming crab	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Actinauge verrillii</i>	Reticulate anemone	West Coast Annual
<i>Actinostola faeculenta</i>	Hobnail vase anemone	West Coast Annual
<i>Aetobatus narinari</i>	Spotted eagle ray	Southeast US Fall, Southeast US Spring
<i>Albatrossia pectoralis</i>	Giant grenadier	Aleutian Islands, Gulf of Alaska, West Coast Annual
<i>Alectis ciliaris</i>	African pompano	Southeast US Summer
<i>Alepocephalus tenebrosus</i>	California slickhead	West Coast Annual
<i>Alosa aestivalis</i>	Blueback herring	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Alosa pseudoharengus</i>	Alewife	Northeast US Fall, Northeast US Spring
<i>Alosa sapidissima</i>	American shad	Northeast US Fall, Northeast US Spring, West Coast Annual, West Coast Triennial
<i>Aluterus heudelotii</i>	Dotterel filefish	Gulf of Mexico
<i>Aluterus schoepfii</i>	Orange filefish	Gulf of Mexico, Southeast US Fall, Southeast US Summer
<i>Amblyraja radiata</i>	Thorny skate	Northeast US Fall, Northeast US Spring
<i>Ammodytes dubius</i>	Northern sand lance	Northeast US Fall, Northeast US Spring
<i>Ampheraster marianus</i>	Mariana's island star	West Coast Annual
<i>Anadara secernenda</i>	Skewed ark	Gulf of Mexico
<i>Anarhichas lupus</i>	Atlantic wolffish	Northeast US Spring, Northeast US Fall
<i>Anasimus latus</i>	Stilt spider crab	Gulf of Mexico

<i>Anchoa hepsetus</i>	Striped anchovy	Gulf of Mexico, Northeast US Fall
<i>Anchoa mitchilli</i>	Bay anchovy	Gulf of Mexico, Northeast US Fall
<i>Anchoa</i> spp.	Anchovies	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Ancylopsetta dilecta</i>	Three-eye flounder	Gulf of Mexico
<i>Ancylopsetta quadrocellata</i>	Ocellated flounder	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Anoplopoma fimbria</i>	Sablefish	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Anthopleura xanthogrammica</i>	Giant green anemone	West Coast Annual
<i>Anthoptilum grandiflorum</i>	Feather boa sea pen	West Coast Annual
<i>Antigonia capros</i>	Deepbody boarfish	Northeast US Fall
<i>Antimora microlepis</i>	Finescale mora	West Coast Annual
<i>Aphrocallistes vastus</i>	Cloud sponge	West Coast Annual
<i>Apogon pseudomaculatus</i>	Twospot cardinalfish	Gulf of Mexico
<i>Apogon quadrisquamatus</i>	Sawcheek cardinalfish	Gulf of Mexico
<i>Apostichopus californicus</i>	Giant california sea cucumber	West Coast Annual
<i>Apostichopus leukothele</i>	White-knobbed sea cucumber	West Coast Annual, West Coast Triennial
<i>Apristurus brunneus</i>	Brown catshark	West Coast Annual, West Coast Triennial
<i>Aptocyclus ventricosus</i>	Smooth lumpsucker	Aleutian Islands
<i>Arbacia punctulata</i>	Purple-spined sea urchin	Gulf of Mexico
<i>Archosargus probatocephalus</i>	Sheepshead	Southeast US Fall, Southeast US Spring
<i>Arctoraja parmitera</i>	Alaska skate	Aleutian Islands, Eastern Bering Sea, Northern Bering Sea
<i>Arenaeus cribrarius</i>	Speckled swimming crab	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Argentina sialis</i>	Pacific argentine	West Coast Triennial
<i>Argopecten gibbus</i>	Calico scallop	Gulf of Mexico
<i>Ariomma bondi</i>	Silver rag driftfish	Northeast US Fall
<i>Ariopsis felis</i>	Hardhead catfish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Aspidophoroides monopterygius</i>	Alligatorfish	Eastern Bering Sea, Northeast US Fall, Northeast US Spring
<i>Aspidophoroides olrikii</i>	Arctic alligatorfish	Northern Bering Sea
<i>Asterias amurensis</i>	North pacific seastar	Eastern Bering Sea, Northern Bering Sea
<i>Astropecten articulatus</i>	Royal sea star	Gulf of Mexico
<i>Astropecten californicus</i>	California sand star	West Coast Annual

<i>Astropecten cingulatus</i>	NA	Gulf of Mexico
<i>Astropecten duplicatus</i>	Two-spined star fish	Gulf of Mexico
<i>Astropecten karankawai</i>	NA	Gulf of Mexico
<i>Astropecten mcdwardi</i>	NA	Gulf of Mexico
<i>Atheresthes stomias</i>	Arrowtooth flounder	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Atheresthes stomias</i> and <i>A. evermanni</i>	Arrowtooth and kamchatka flounders	Aleutian Islands, Eastern Bering Sea, Northern Bering Sea
<i>Atlantopandalus propinquus</i>	Similar shrimp	Northeast US Fall, Northeast US Spring
<i>Aulacofusus herendeeni</i>	Thin-ribbed whelk	Eastern Bering Sea
<i>Bagre marinus</i>	Gafftopsail catfish	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Bairdiella chrysoura</i>	Silver perch	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Balistes capriscus</i>	Gray triggerfish	Gulf of Mexico
<i>Bathyagonus nigripinnis</i>	Blackfin poacher	West Coast Annual
<i>Bathybembix bairdii</i>	NA	West Coast Annual
<i>Bathymaster signatus</i>	Searcher	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Bathypolypus arcticus</i>	North atlantic octopus	Northeast US Fall, Northeast US Spring
<i>Bathyraja</i> spp.	Skate complex	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Bathytoshia centroura</i>	Roughtail stingray	Northeast US Fall, Southeast US Fall, Southeast US Spring
<i>Bellator militaris</i>	Horned searobin	Gulf of Mexico
<i>Beringraja binoculata</i>	Big skate	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Beringraja inornata</i>	California skate	West Coast Annual, West Coast Triennial
<i>Beringraja rhina</i>	Longnose skate	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Beringraja stellulata</i>	Starry skate	West Coast Annual
<i>Berryteuthis magister</i>	Magister armhook squid	Aleutian Islands, Gulf of Alaska
<i>Bollmannia communis</i>	Ragged goby	Gulf of Mexico
<i>Boreogadus saida</i>	Arctic cod	Eastern Bering Sea, Northern Bering Sea
<i>Bothrocara brunneum</i>	Twoline eelpout	West Coast Annual
<i>Bothus robinisi</i>	Twospot flounder	Gulf of Mexico
<i>Brevoortia patronus</i>	Gulf menhaden	Gulf of Mexico
<i>Brevoortia smithi</i>	Yellowfin menhaden	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Brevoortia tyrannus</i>	Atlantic menhaden	Southeast US Fall, Southeast US Spring, Southeast US Summer

<i>Brisaster latifrons</i>	Northern heart urchin	West Coast Annual, West Coast Triennial
<i>Brissopsis pacifica</i>	Pacific heart urchin	West Coast Annual
<i>Brosme brosme</i>	Cusk	Northeast US Fall, Northeast US Spring
<i>Brotula barbata</i>	Bearded brotula	Gulf of Mexico
<i>Calamus arctifrons</i>	Grass porgy	Gulf of Mexico
<i>Calamus leucosteus</i>	Whitebone porgy	Southeast US Fall, Southeast US Summer
<i>Calamus nodosus</i>	Knobbed porgy	Gulf of Mexico
<i>Calamus proridens</i>	Littlehead porgy	Gulf of Mexico
<i>Calappa flammea</i>	Flame box crab	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Calappa sulcata</i>	Yellow box crab	Gulf of Mexico
<i>Callinectes ornatus</i>	Shelling crab	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Callinectes sapidus</i>	Blue crab	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Callinectes similis</i>	Lesser blue crab	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Cancer borealis</i>	Jonah crab	Northeast US Fall, Northeast US Spring
<i>Cancer irroratus</i>	Atlantic rock crab	Northeast US Fall, Northeast US Spring, Southeast US Spring
<i>Cancer productus</i>	Red rock crab	West Coast Annual
<i>Caranx crysos</i>	Blue runner	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Caranx hippos</i>	Crevalle jack	Southeast US Fall, Southeast US Spring
<i>Carcharhinus acronotus</i>	Blacknose shark	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Carcharhinus brevipinna</i>	Spinner shark	Southeast US Summer
<i>Carcharhinus limbatus</i>	Blacktip shark	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Careproctus melanurus</i>	Blacktail snailfish	West Coast Annual
<i>Centropristis ocyurus</i>	Bank sea bass	Gulf of Mexico
<i>Centropristis philadelphia</i>	Rock sea bass	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Centropristis striata</i>	Black sea bass	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer

<i>Ceramaster japonicus</i>	Red cookie star	Aleutian Islands
<i>Ceramaster patagonicus</i>	Cookie star	Aleutian Islands, Gulf of Alaska
<i>Chaceon quinquedens</i>	Red deepsea crab	Northeast US Spring, Northeast US Fall
<i>Chaetodipterus faber</i>	Atlantic spadefish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Chaetodon ocellatus</i>	Spotfin butterflyfish	Gulf of Mexico
<i>Chaetodon sedentarius</i>	Reef butterflyfish	Gulf of Mexico
<i>Chauliodus macouni</i>	Pacific viperfish	West Coast Annual
<i>Cheiraster (Luidiaster) dawsoni</i>	NA	Aleutian Islands, Gulf of Alaska
<i>Chilara taylori</i>	Spotted cusk-eel	West Coast Triennial
<i>Chilomycterus schoepfii</i>	Striped burrfish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Chionoecetes bairdi</i>	Tanner crab	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Chionoecetes opilio</i>	Snow crab	Eastern Bering Sea, Northern Bering Sea
<i>Chionoecetes tanneri</i>	Grooved tanner crab	West Coast Annual
<i>Chlorophthalmus agassizi</i>	Shortnose greeneye	Northeast US Fall, Northeast US Spring
<i>Chloroscombrus chrysurus</i>	Atlantic bumper	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Chorilia longipes</i>	Longhorn decorator crab	West Coast Annual
<i>Chrysaora quinquecirrha</i>	Sea nettle	Gulf of Mexico
<i>Ciliatocardium ciliatum</i>	Hairy cockle	Eastern Bering Sea
<i>Citharichthys arctifrons</i>	Gulf stream flounder	Northeast US Fall, Northeast US Spring
<i>Citharichthys macrops</i>	Spotted whiff	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Citharichthys sordidus</i>	Pacific sanddab	West Coast Annual, West Coast Triennial
<i>Citharichthys spilopterus</i>	Bay whiff	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Clupea harengus</i>	Atlantic herring	Northeast US Fall, Northeast US Spring
<i>Clupea pallasii</i>	Pacific herring	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea, West Coast Annual, West Coast Triennial
<i>Coryphaenoides acrolepis</i>	Pacific grenadier	West Coast Annual
<i>Coryrhynchus sidneyi</i>	Shortfinger neck crab	Gulf of Mexico

<i>Crangon septemspinosa</i>	Sevenspine bay shrimp	Northeast US Spring
<i>Crossaster borealis</i>	Grooved sun star	West Coast Annual
<i>Crossaster papposus</i>	Common sunstar	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Cryptacanthodes maculatus</i>	Wrymouth	Northeast US Fall
<i>Ctenodiscus crispatus</i>	Mud star	Eastern Bering Sea, Gulf of Alaska
<i>Cyclopsetta chittendeni</i>	Mexican flounder	Gulf of Mexico
<i>Cyclopsetta fimbriata</i>	Spotfin flounder	Gulf of Mexico
<i>Cynoscion arenarius</i>	Sand weakfish	Gulf of Mexico
<i>Cynoscion nebulosus</i>	Spotted weakfish	Southeast US Fall
<i>Cynoscion nothus</i>	Silver seatrout	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Cynoscion regalis</i>	Weakfish	Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Dasycottus setiger</i>	Spinyhead sculpin	Eastern Bering Sea, Gulf of Alaska
<i>Decapterus punctatus</i>	Round scad	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Dichelopandalus leptocerus</i>	Bristled longbeak	Northeast US Fall, Northeast US Spring
<i>Diplectrum bivittatum</i>	Dwarf sand perch	Gulf of Mexico
<i>Diplectrum formosum</i>	Sand perch	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Diplopteraster multipes</i>	Pincushion star	Aleutian Islands
<i>Dipsacaster borealis</i>	Northern sand star	Gulf of Alaska
<i>Dipsacaster eximius</i>	Extraordinary sand star	West Coast Annual
<i>Dipturus laevis</i>	Barndoor skate	Northeast US Fall, Northeast US Spring
<i>Doryteuthis opalescens</i>	California market squid	West Coast Annual, West Coast Triennial
<i>Doryteuthis pealeii</i>	Longfin inshore squid	Northeast US Fall, Northeast US Spring
<i>Doryteuthis</i> sp	Inshore Squid sp.	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Dromalia alexandri</i>	Sea dandelion	West Coast Annual
<i>Echeneis naucratis</i>	Sharksucker	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Echidnocerus foraminatus</i>	Brown box crab	West Coast Annual, West Coast Triennial

<i>Echinarachnius parma</i>	Common sand dollar	Eastern Bering Sea, Northern Bering Sea
<i>Echiophis intertinctus</i>	Spotted spoon-nose eel	Gulf of Mexico
<i>Elassochirus cavimanus</i>	Purple hermit	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Elassochirus tenuimanus</i>	Widehand hermit	Aleutian Islands, Gulf of Alaska
<i>Eleginus gracilis</i>	Saffron cod	Eastern Bering Sea, Northern Bering Sea
<i>Enchelyopus cimbrius</i>	Fourbeard rockling	Northeast US Fall, Northeast US Spring
<i>Encope aberrans</i>	NA	Gulf of Mexico
<i>Engyophrys senta</i>	Spiny flounder	Gulf of Mexico
<i>Enophrys dicerca</i>	Antlered sculpin	Northern Bering Sea
<i>Enteroctopus dofleini</i>	North pacific giant octopus	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Eopsetta jordani</i>	Petrable sole	West Coast Annual, West Coast Triennial
<i>Epinephelus morio</i>	Red grouper	Gulf of Mexico
<i>Eptatretus deani</i>	Black hagfish	West Coast Annual
<i>Eptatretus stoutii</i>	Pacific hagfish	West Coast Annual
<i>Eques lanceolatus</i>	Jackknife-fish	Gulf of Mexico
<i>Erimacrus isenbeckii</i>	Hair crab	Aleutian Islands, Eastern Bering Sea, Northern Bering Sea
<i>Etropus crossotus</i>	Fringed flounder	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Etropus cyclosquamus</i>	Shelf flounder	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Etropus microstomus</i>	Smallmouth flounder	Northeast US Spring
<i>Etropus rimosus</i>	Gray flounder	Gulf of Mexico
<i>Etrumeus sadina</i>	Round herring	Northeast US Fall, Southeast US Spring, Southeast US Summer
<i>Eualus macrophthalmus</i>	Big eyed shrimp	West Coast Annual
<i>Eucidaris tribuloides</i>	Slate pencil urchin	Gulf of Mexico
<i>Eucinostomus gula</i>	Silver jenny	Gulf of Mexico
<i>Eucinostomus harengulus</i>	Tidewater mojarra	Gulf of Mexico
<i>Eucinostomus spp.</i>	Mojarras	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Eumicrotremus orbis</i>	Pacific spiny lumpsucker	Aleutian Islands
<i>Euphrosynoplax clausa</i>	Craggy bathyal crab	Gulf of Mexico
<i>Euvola marenzelleri</i>	Paper scallop	Gulf of Mexico
<i>Euvola raveneli</i>	Round rib scallop	Gulf of Mexico
<i>Evasterias echinosoma</i>	Giant sea star	Eastern Bering Sea, Northern Bering Sea
<i>Fowlerichthys radiatus</i>	Singlespot frogfish	Gulf of Mexico

<i>Gadus chalcogrammus</i>	Walleye pollock	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea, West Coast Triennial
<i>Gadus macrocephalus</i>	Pacific cod	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea, West Coast Annual, West Coast Triennial
<i>Gadus morhua</i>	Atlantic cod	Northeast US Fall, Northeast US Spring
<i>Gastropsetta frontalis</i>	Shrimp flounder	Gulf of Mexico
<i>Genyonemus lineatus</i>	White croaker	West Coast Annual, West Coast Triennial
<i>Gibbesia neglecta</i>	Lesser mantis shrimp	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Glebocarcinus oregonensis</i>	Pygmy rock crab	Eastern Bering Sea
<i>Glyptocephalus cynoglossus</i>	Witch flounder	Northeast US Fall, Northeast US Spring
<i>Glyptocephalus zachirus</i>	Rex sole	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Gobiosoma bosc</i>	Naked goby	Southeast US Summer
<i>Gonatus onyx</i>	Clawed armhook squid	West Coast Annual
<i>Gorgonocephalus eucnemis</i>	Basket star	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea, West Coast Annual, West Coast Triennial
<i>Grimothea planipes</i>	Pelagic red crab	West Coast Annual
<i>Gymnachirus melas</i>	Naked sole	Southeast US Fall
<i>Gymnocanthus galeatus</i>	Armorhead sculpin	Aleutian Islands, Eastern Bering Sea
<i>Gymnocanthus pistilliger</i>	Threaded sculpin	Eastern Bering Sea, Northern Bering Sea
<i>Gymnocanthus tricuspis</i>	Arctic staghorn sculpin	Northern Bering Sea
<i>Gymnothorax saxicola</i>	Honeycomb moray	Gulf of Mexico
<i>Gymnura altavela</i>	Spiny butterfly ray	Southeast US Fall, Southeast US Spring
<i>Gymnura micrura</i>	Smooth butterfly ray	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Haemulon aurolineatum</i>	Tomtate grunt	Gulf of Mexico, Southeast US Summer
<i>Haemulon plumieri</i>	White grunt	Gulf of Mexico
<i>Halieutichthys</i> sp	Batfishes	Gulf of Mexico
<i>Harengula jaguana</i>	Scaled sardine	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Helicolenus dactylopterus</i>	Blackbelly rosefish	Northeast US Fall, Northeast US Spring

<i>Hemilepidotus jordani</i>	Yellow irish lord	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Hemilepidotus papilio</i>	Butterfly sculpin	Eastern Bering Sea, Northern Bering Sea
<i>Hemilepidotus zapus</i>	Longfin irish lord	Aleutian Islands
<i>Hemitripterus americanus</i>	Sea raven	Northeast US Fall, Northeast US Spring
<i>Hemitripterus bolini</i>	Bigmouth sculpin	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Hepatus epheliticus</i>	Calico box crab	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Heterozonias alternatus</i>	Canonball sun star	West Coast Annual
<i>Hexagrammos decagrammus</i>	Kelp greenling	Gulf of Alaska
<i>Hexagrammos stelleri</i>	Whitespotted greenling	Eastern Bering Sea, Northern Bering Sea
<i>Hippasteria californica</i>	Californian spiny star	West Coast Annual
<i>Hippasteria phrygiana</i>	Arctic cushion star	Aleutian Islands, West Coast Annual, West Coast Triennial
<i>Hippocampus erectus</i>	Lined seahorse	Gulf of Mexico, Southeast US Fall, Southeast US Summer
<i>Hippoglossina oblonga</i>	American fourspot flounder	Northeast US Fall, Northeast US Spring
<i>Hippoglossina stomata</i>	Bigmouth flounder	West Coast Annual
<i>Hippoglossoides classodon</i>	Flathead sole	Aleutian Islands, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Hippoglossoides classodon</i> and <i>H. robustus</i>	Flathead sole-bering flounder	Eastern Bering Sea, Northern Bering Sea
<i>Hippoglossoides platessoides</i>	American plaice	Northeast US Fall, Northeast US Spring
<i>Hippoglossus hippoglossus</i>	Atlantic halibut	Northeast US Fall, Northeast US Spring
<i>Hippoglossus stenolepis</i>	Pacific halibut	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea, West Coast Annual, West Coast Triennial
<i>Histioteuthis heteropsis</i>	NA	West Coast Annual
<i>Holacanthus bermudensis</i>	Blue angelfish	Gulf of Mexico
<i>Homarus americanus</i>	American lobster	Northeast US Fall, Northeast US Spring
<i>Hyas coarctatus</i>	Arctic lyre crab	Eastern Bering Sea, Northern Bering Sea
<i>Hyas lyratus</i>	Pacific lyre crab	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Hydrolagus coliei</i>	Spotted ratfish	Gulf of Alaska, West Coast Annual, West Coast Triennial

<i>Hypanus americanus</i>	Southern stingray	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Hypanus sabinus</i>	Atlantic stingray	Southeast US Fall, Southeast US Spring
<i>Hypanus say</i>	Bluntnose stingray	Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Hypleurochilus geminatus</i>	Crested blenny	Southeast US Summer
<i>Icelinus filamentosus</i>	Threadfin sculpin	West Coast Annual, West Coast Triennial
<i>Icelus spatula</i>	Spatulate sculpin	Eastern Bering Sea
<i>Icelus spiniger</i>	Thorny sculpin	Eastern Bering Sea
<i>Iliacantha liodactylus</i>	NA	Gulf of Mexico
<i>Illex illecebrosus</i>	Northern shortfin squid	Northeast US Fall, Northeast US Spring
<i>Isopsetta isolepis</i>	Butter sole	Eastern Bering Sea, Gulf of Alaska
<i>Kathetostoma albigutta</i>	Lancer stargazer	Gulf of Mexico
<i>Labidochirus splendescens</i>	Splendid hermit	Eastern Bering Sea, Northern Bering Sea
<i>Laevicardium mortoni</i>	Yellow eggcockle	Gulf of Mexico
<i>Lagocephalus laevigatus</i>	Smooth puffer	Gulf of Mexico, Southeast US Fall, Southeast US Summer
<i>Lagodon rhomboides</i>	Pinfish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Larimus fasciatus</i>	Banded drum	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Lebbeus polaris</i>	Polar lebbeid	Northeast US Spring
<i>Leiolambrus nitidus</i>	White elbow crab	Gulf of Mexico
<i>Leiostomus xanthurus</i>	Spot	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Lepidopsetta</i> sp.	Rock soles	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea, West Coast Annual, West Coast Triennial
<i>Lepophidium brevibarbe</i>	Blackedge cusk-eel	Gulf of Mexico
<i>Lepophidium jeannae</i>	Mottled cusk-eel	Gulf of Mexico
<i>Lepophidium profundorum</i>	Fawn cusk-eel	Northeast US Fall, Northeast US Spring
<i>Leptasterias</i> (<i>Hexasterias</i>) <i>polaris</i>	Polar six-rayed star	Eastern Bering Sea, Northern Bering Sea
<i>Leptasterias arctica</i>	Arctic star	Eastern Bering Sea, Northern Bering Sea

<i>Leptasterias coei truculenta</i>	Giant Aleutian six-rayed star	Aleutian Islands
<i>Leptasterias groenlandica</i>	Greenland star	Eastern Bering Sea, Northern Bering Sea
<i>Leptoclinus maculatus</i>	Daubed shanny	Eastern Bering Sea
<i>Leptychaster anomalus</i>	Pentagonal sand star	Eastern Bering Sea
<i>Lethasterias nanimensis</i>	Black spined sea star	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Lethotremus muticus</i>	Docked snailfish	Aleutian Islands
<i>Leucoraja erinaceus</i>	Little skate	Northeast US Fall, Northeast US Spring
<i>Leucoraja garmani</i>	Rosette skate	Northeast US Fall, Northeast US Spring
<i>Leucoraja ocellata</i>	Winter skate	Northeast US Fall, Northeast US Spring
<i>Limanda aspera</i>	Yellowfin sole	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Limanda sakhalinensis</i>	Sakhalin sole	Eastern Bering Sea, Northern Bering Sea
<i>Limulus polyphemus</i>	Horseshoe crab	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Liponema brevicorne</i>	Tentacle shedding anemone	West Coast Annual, West Coast Triennial
<i>Lithodes aequispinus</i>	Golden king crab	Aleutian Islands
<i>Lithodes couesi</i>	Scarlet king crab	West Coast Annual
<i>Lithodes maja</i>	Norway king crab	Northeast US Fall
<i>Lolliguncula brevis</i>	Atlantic brief squid	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Lophius americanus</i>	Monkfish	Northeast US Fall, Northeast US Spring
<i>Luidia alternata</i>	Banded sea star	Gulf of Mexico
<i>Luidia clathrata</i>	Lined sea star	Gulf of Mexico
<i>Luidia foliolata</i>	Gray sand star	West Coast Annual, West Coast Triennial
<i>Luidia lawrencei</i>	NA	Gulf of Mexico
<i>Lumpenus fabricii</i>	Slender eelblenny	Northern Bering Sea
<i>Lumpenus sagitta</i>	Snake pricklyback	Eastern Bering Sea, Northern Bering Sea
<i>Lutjanus campechanus</i>	Red snapper	Gulf of Mexico, Southeast US Fall
<i>Lutjanus griseus</i>	Gray snapper	Gulf of Mexico
<i>Lutjanus synagris</i>	Lane snapper	Gulf of Mexico, Southeast US Fall
<i>Lycenchelys crotalinus</i>	Snakehead eelpout	West Coast Annual

<i>Lycodes brevipes</i>	Shortfin eelpout	Eastern Bering Sea, Gulf of Alaska
<i>Lycodes concolor</i>	Ebony eelpout	Aleutian Islands
<i>Lycodes cortezi</i>	Bigfin eelpout	West Coast Annual, West Coast Triennial
<i>Lycodes diapterus</i>	Black eelpout	West Coast Annual, West Coast Triennial
<i>Lycodes pacificus</i>	Blackbelly eelpout	West Coast Annual, West Coast Triennial
<i>Lycodes palearis</i>	Wattled eelpout	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Lycodes raridens</i>	Marbled eelpout	Eastern Bering Sea, Northern Bering Sea
<i>Lycodes turneri</i>	Polar eelpout	Northern Bering Sea
<i>Lyopsetta exilis</i>	Slender sole	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Lytechinus variegatus</i>	Variegated sea urchin	Gulf of Mexico
<i>Lytechinus variegatus carolinus</i>	NA	Gulf of Mexico
<i>Malacocottus zonurus</i>	Darkfin sculpin	Aleutian Islands, Gulf of Alaska
<i>Malacoraja senta</i>	Smooth skate	Northeast US Fall, Northeast US Spring
<i>Mallotus villosus</i>	Capelin	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Maurolicus weitzmani</i>	Atlantic pearlside	Northeast US Fall, Northeast US Spring
<i>Medaster aequalis</i>	Vermillion star	West Coast Annual, West Coast Triennial
<i>Megangulus luteus</i>	Alaskan great tellin	Eastern Bering Sea
<i>Melanogrammus aeglefinus</i>	Haddock	Northeast US Fall, Northeast US Spring
<i>Menidia menidia</i>	Atlantic silverside	Northeast US Spring
<i>Menippe mercenaria</i>	Florida stone crab	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Menticirrhus americanus</i>	Southern kingfish	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Menticirrhus littoralis</i>	Gulf kingfish	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Menticirrhus saxatilis</i>	Northern kingfish	Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Merluccius albidus</i>	Offshore hake	Northeast US Fall, Northeast US Spring
<i>Merluccius bilinearis</i>	Silver hake	Northeast US Fall, Northeast US Spring
<i>Merluccius productus</i>	Pacific hake	Gulf of Alaska, West Coast Annual, West Coast Triennial

<i>Metacarcinus magister</i>	Dungeness crab	West Coast Annual, West Coast Triennial
<i>Metapenaeopsis goodei</i>	Caribbean velvet shrimp	Gulf of Mexico
<i>Metridium farcimen</i>	Giant plumose anemone	West Coast Annual, West Coast Triennial
<i>Microgadus proximus</i>	Pacific tomcod	West Coast Annual, West Coast Triennial
<i>Micropogonias undulatus</i>	Atlantic croaker	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer, Northeast US Spring
<i>Microstomus bathybius</i>	Deep-sea sole	West Coast Annual
<i>Microstomus pacificus</i>	Dover sole	Aleutian Islands, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Mithrax pleuracanthus</i>	Shaggy clinging crab	Gulf of Mexico
<i>Mobula hypostoma</i>	Devil ray	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Modiolus modiolus</i>	Northern horsemussel	Aleutian Islands, Gulf of Alaska, Northern Bering Sea
<i>Molpadia intermedia</i>	Sweet potato sea cucumber	West Coast Annual
<i>Monacanthus ciliatus</i>	Fringed filefish	Gulf of Mexico
<i>Moreiradromia antillensis</i>	Hairy sponge crab	Gulf of Mexico
<i>Mugil curema</i>	White mullet	Southeast US Fall
<i>Mullus auratus</i>	Red goatfish	Gulf of Mexico
<i>Mustelus canis</i>	Smooth dogfish	Northeast US Fall, Northeast US Spring, Southeast US Spring, Southeast US Summer
<i>Myliobatis freminvillei</i>	Bullnose eagle ray	Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Myoxocephalus jaok</i>	Plain sculpin	Eastern Bering Sea, Northern Bering Sea
<i>Myoxocephalus octodecemspinosus</i>	Longhorn sculpin	Northeast US Fall, Northeast US Spring
<i>Myoxocephalus polyacanthocephalus</i>	Great sculpin	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Myoxocephalus scorpius</i>	Shorthorn sculpin	Eastern Bering Sea, Northern Bering Sea
<i>Myropsis quinquespinosa</i>	Fivespine purse crab	Gulf of Mexico
<i>Myxine glutinosa</i>	Atlantic hagfish	Northeast US Fall, Northeast US Spring
<i>Myxoderma platyacanthum</i>	NA	West Coast Annual
<i>Myxoderma sacculatum</i>	Giant slimy star	West Coast Annual
<i>Myzopsetta ferruginea</i>	Yellowtail flounder	Northeast US Fall, Northeast US Spring

<i>Myzopsetta proboscidea</i>	Longhead dab	Eastern Bering Sea, Northern Bering Sea
<i>Narcine brasiliensis</i>	Brazilian electric ray	Southeast US Spring, Southeast US Summer
<i>Nautichthys pribilovius</i>	Eyeshade sculpin	Northern Bering Sea
<i>Nearchaster</i> (<i>Nearchaster</i>) <i>aciculosus</i>	Needle spined fragile star	West Coast Annual
<i>Neocrangon communis</i>	Gray shrimp	Eastern Bering Sea
<i>Neptunea amianta</i>	White neptune	West Coast Annual
<i>Nezumia liolepis</i>	Smooth grenadier	West Coast Annual
<i>Nezumia stelgidolepis</i>	California grenadier	West Coast Annual
<i>Nicholsina usta</i>	Emerald parrotfish	Gulf of Mexico
<i>Ocella dodecaedron</i>	Bering poacher	Eastern Bering Sea, Northern Bering Sea
<i>Octopoteuthis deletron</i>	Octopus squid	West Coast Annual
<i>Octopus californicus</i>	North pacific bigeye octopus	West Coast Annual
<i>Octopus joubini</i>	Atlantic pygmy octopus	Gulf of Mexico
<i>Octopus vulgaris</i>	Common octopus	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Ogcocephalus corniger</i>	Longnose batfish	Gulf of Mexico
<i>Ogcocephalus cubifrons</i>	NA	Gulf of Mexico, Southeast US Fall
<i>Ogcocephalus declivirostris</i>	Slantbrow batfish	Gulf of Mexico
<i>Ogcocephalus pantostictus</i>	Spotted batfish	Gulf of Mexico
<i>Ogcocephalus parvus</i>	Roughback batfish	Gulf of Mexico
<i>Ogcocephalus radiatus</i>	Polka-dot batfish	Gulf of Mexico
<i>Ogcocephalus rostellum</i>	Palefin batfish	Southeast US Fall
<i>Oligoplites saurus</i>	Leatherjacket	Southeast US Spring
<i>Oncorhynchus keta</i>	Chum salmon	Gulf of Alaska
<i>Oncorhynchus tshawytscha</i>	Chinook salmon	Gulf of Alaska, West Coast Triennial
<i>Ophidion antipholus</i>	Longnose cusk-eel	Gulf of Mexico
<i>Ophidion holbrookii</i>	Bank cusk-eel	Gulf of Mexico
<i>Ophidion marginatum</i>	Striped cusk-eel	Southeast US Spring
<i>Ophiodon elongatus</i>	Lingcod	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Ophiolepis elegans</i>	Elegant brittle star	Gulf of Mexico
<i>Ophiothrix</i> (<i>Ophiothrix</i>) <i>angulata</i>	Angular brittle star	Gulf of Mexico
<i>Ophiura sarsii</i>	Notched brittle star	West Coast Annual, West Coast Triennial
<i>Opisthonema oglinum</i>	Atlantic thread herring	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer

<i>Opisthoteuthis californiana</i>	Flapjack octopus	West Coast Annual
<i>Opsanus tau</i>	Oyster toadfish	Southeast US Summer
<i>Oregonia gracilis</i>	Graceful decorator crab	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Orthasterias koehleri</i>	Rainbow star	Gulf of Alaska
<i>Orthopristis chrysoptera</i>	Pigfish	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Osmerus mordax</i>	Rainbow smelt	Northern Bering Sea
<i>Ovalipes floridanus</i>	Florida lady crab	Gulf of Mexico
<i>Ovalipes ocellatus</i>	Ocellate lady crab	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Ovalipes stephensoni</i>	Coarsehand lady crab	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Pagrus pagrus</i>	Red porgy	Gulf of Mexico
<i>Paguristes sericeus</i>	Blue-eyed hermit	Gulf of Mexico
<i>Pagurus aleuticus</i>	Aleutian hermit	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Pagurus brandti</i>	Sponge hermit	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska
<i>Pagurus capillatus</i>	Hairy hermit crab	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Pagurus confragosus</i>	Knobbyhand hermit	Eastern Bering Sea, Gulf of Alaska
<i>Pagurus kennerlyi</i>	Bluespine hermit	Gulf of Alaska
<i>Pagurus longicarpus</i>	Longwrist hermit crab	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Pagurus ochotensis</i>	Alaskan hermit crab	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Pagurus pollicaris</i>	Gray hermit crab	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Pagurus rathbuni</i>	Longfinger hermit	Eastern Bering Sea, Northern Bering Sea
<i>Pagurus trigonocheirus</i>	Fuzzy hermit	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Pallasina barbata</i>	Tube-nose poacher	Northern Bering Sea
<i>Pandalus amplus</i>	Deepwater bigeye	West Coast Annual
<i>Pandalus borealis</i>	Atlantic northern shrimp	Northeast US Fall, Northeast US Spring
<i>Pandalus dispar</i>	Sidestripe shrimp	West Coast Triennial
<i>Pandalus jordani</i>	Ocean shrimp	West Coast Annual, West Coast Triennial

<i>Pandalus montagui</i>	Aesop shrimp	Northeast US Fall, Northeast US Spring
<i>Pandalus platyceros</i>	Spot shrimp	West Coast Annual, West Coast Triennial
<i>Pannychia moseleyi</i>	Deep sea papillate cucumber	West Coast Annual
<i>Paralichthys albigutta</i>	Gulf flounder	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Paralichthys dentatus</i>	Summer flounder	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Paralichthys lethostigma</i>	Southern flounder	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Paralichthys squamilentus</i>	Broad flounder	Southeast US Summer
<i>Paralithodes camtschaticus</i>	Red king crab	Eastern Bering Sea, Northern Bering Sea
<i>Paralithodes platypus</i>	Blue king crab	Eastern Bering Sea, Northern Bering Sea
<i>Paralomis multispina</i>	Many spine spider crab	West Coast Annual
<i>Parapenaeus politus</i>	Rose shrimp	Gulf of Mexico
<i>Pareques umbrosus</i>	Cubbyu	Gulf of Mexico
<i>Parmaturus xaniurus</i>	Filetail catshark	West Coast Annual
<i>Parophrys vetulus</i>	English sole	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Pasiphaea multidentata</i>	Pink glass shrimp	Northeast US Fall, Northeast US Spring
<i>Pasiphaea pacifica</i>	Pacific glass shrimp	Gulf of Alaska, West Coast Annual
<i>Pasiphaea tarda</i>	Crimson pasiphaeid	West Coast Annual
<i>Patinopecten caurinus</i>	Weathervane scallop	Eastern Bering Sea
<i>Penaeus aztecus</i>	Brown shrimp	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Penaeus duorarum</i>	Pink shrimp	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Penaeus setiferus</i>	Northern white shrimp	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Peprilus burti</i>	Gulf butterfish	Gulf of Mexico
<i>Peprilus paru</i>	Harvestfish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Peprilus simillimus</i>	Pacific pompano	West Coast Annual, West Coast Triennial

<i>Peprilus triacanthus</i>	American butterflyfish	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Periphylla periphylla</i>	Merchant cap	West Coast Annual
<i>Peristedion miniatum</i>	Armored searobin	Northeast US Fall, Northeast US Spring
<i>Persephona mediterranea</i>	Mottled purse crab	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Petrochirus diogenes</i>	Giant hermit	Southeast US Summer
<i>Phycis chesteri</i>	Longfin hake	Northeast US Fall, Northeast US Spring
<i>Pilumnus sayi</i>	Spineback hairy crab	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Pisaster brevispinus</i>	Giant pink sea star	West Coast Annual
<i>Pitarenus cordatus</i>	Corded pitar	Gulf of Mexico
<i>Placopecten magellanicus</i>	Atlantic sea scallop	Northeast US Fall, Northeast US Spring
<i>Platichthys stellatus</i>	Starry flounder	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Platylambrus granulatus</i>	Bladetooth elbow crab	Gulf of Mexico
<i>Platymera gaudichaudii</i>	Armed box crab	West Coast Annual
<i>Pleurobranchaea californica</i>	NA	West Coast Annual
<i>Pleurogrammus monopterygius</i>	Atka mackerel	Aleutian Islands, Gulf of Alaska
<i>Pleuronectes quadrituberculatus</i>	Alaska plaice	Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Pleuronichthys decurrens</i>	Curlfin sole	West Coast Annual, West Coast Triennial
<i>Pleuronichthys verticalis</i>	Hornyhead turbot	West Coast Annual
<i>Podothecus accipenserinus</i>	Sturgeon poacher	Aleutian Islands, Eastern Bering Sea, Gulf of Alaska, Northern Bering Sea
<i>Podothecus veterus</i>	Veteran poacher	Northern Bering Sea
<i>Pogonias cromis</i>	Black drum	Southeast US Fall
<i>Pollachius virens</i>	Pollock	Northeast US Fall, Northeast US Spring
<i>Polydactylus octonemus</i>	Atlantic threadfin	Gulf of Mexico
<i>Polymixia lowei</i>	Beardfish	Northeast US Fall
<i>Polystira albida</i>	White giant-turris	Gulf of Mexico
<i>Pomatomus saltatrix</i>	Bluefish	Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Pontophilus norvegicus</i>	Norwegian shrimp	Northeast US Fall, Northeast US Spring
<i>Porcellana sigsbeiana</i>	Striped porcelain crab	Southeast US Fall, Southeast US Spring, Southeast US Summer

<i>Porichthys notatus</i>	Plainfin midshipman	West Coast Annual, West Coast Triennial
<i>Porichthys plectrodon</i>	Atlantic midshipman	Gulf of Mexico, Southeast US Summer
<i>Portunus sayi</i>	Sargassum swimming crab	Southeast US Fall
<i>Priacanthus arenatus</i>	Atlantic bigeye	Gulf of Mexico
<i>Prionotus alatus</i>	Spiny searobin	Gulf of Mexico
<i>Prionotus carolinus</i>	Northern searobin	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Prionotus evolans</i>	Striped searobin	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Prionotus longispinosus</i>	Bigeye searobin	Gulf of Mexico
<i>Prionotus martis</i>	Gulf of Mexico barred searobin	Gulf of Mexico
<i>Prionotus ophryas</i>	Bandtail searobin	Gulf of Mexico
<i>Prionotus paralatus</i>	Mexican searobin	Gulf of Mexico
<i>Prionotus roseus</i>	Bluespotted searobin	Gulf of Mexico
<i>Prionotus rubio</i>	Blackwing searobin	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Prionotus scitulus</i>	Leopard searobin	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Prionotus stearnsi</i>	Shortwing searobin	Gulf of Mexico
<i>Prionotus tribulus</i>	Bighead searobin	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Pristigenys alta</i>	Short bigeye	Gulf of Mexico
<i>Pristipomoides aquilonaris</i>	Wenchman	Gulf of Mexico
<i>Pseudarchaster parelii</i>	Northern scarlet star	Aleutian Islands, Gulf of Alaska, West Coast Triennial
<i>Pseudobatos lentiginosus</i>	Atlantic guitarfish	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Pseudopleuronectes americanus</i>	Winter flounder	Northeast US Fall, Northeast US Spring
<i>Pseudorhombila quadridentata</i>	Flecked squareback crab	Gulf of Mexico
<i>Pseudostichopus mollis</i>	Sandy sea cucumber	West Coast Annual
<i>Pteraster jordani</i>	Jordan's cushion star	West Coast Annual
<i>Pycnopodia helianthoides</i>	Sunflower sea star	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Pyrosoma atlanticum</i>	NA	West Coast Annual

<i>Rachycentron canadum</i>	Cobia	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Raninoides louisianensis</i>	Gulf frog crab	Gulf of Mexico
<i>Rathbunaster californicus</i>	California sun star	West Coast Annual, West Coast Triennial
<i>Reinhardtius hippoglossoides</i>	Greenland halibut	Aleutian Islands, Eastern Bering Sea
<i>Renilla muelleri</i>	Mueller's sea pansy	Gulf of Mexico
<i>Rhinoptera bonasus</i>	Cownose ray	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Rhizoprionodon terraenovae</i>	Atlantic sharpnose shark	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer, Northeast US Fall
<i>Rhomboplites aurorubens</i>	Vermilion snapper	Gulf of Mexico
<i>Rhynchoconger flavus</i>	Yellow conger	Gulf of Mexico
<i>Rimapenaeus constrictus</i>	Roughneck shrimp	Southeast US Fall, Southeast US Spring
<i>Rossia pacifica</i>	Eastern pacific bobtail	Aleutian Islands, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Rostroraja eglanteria</i>	Clearnose skate	Gulf of Mexico, Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Rostroraja texana</i>	Roundel skate	Gulf of Mexico
<i>Rypticus maculatus</i>	Whitespotted soapfish	Gulf of Mexico
<i>Sagenaster evermanni</i>	Evermann's star	West Coast Annual
<i>Sardinella aurita</i>	Spanish sardine	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Sardinops sagax</i>	South american pilchard	West Coast Triennial
<i>Sarritor frenatus</i>	Sawback poacher	Aleutian Islands, Eastern Bering Sea
<i>Saurida brasiliensis</i>	Largescale lizardfish	Gulf of Mexico
<i>Saurida normani</i>	Shortjaw lizardfish	Gulf of Mexico
<i>Scomber japonicus</i>	Chub mackerel	West Coast Triennial
<i>Scomber scombrus</i>	Atlantic mackerel	Northeast US Fall, Northeast US Spring
<i>Scomberesox saurus</i>	Atlantic saury	Northeast US Fall
<i>Scomberomorus cavalla</i>	King mackerel	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Scomberomorus maculatus</i>	Spanish mackerel	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer

<i>Scophthalmus aquosus</i>	Windowpane flounder	Northeast US Fall, Northeast US Spring, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Scorpaena agassizii</i>	Longfin scorpionfish	Gulf of Mexico
<i>Scorpaena brasiliensis</i>	Barbfish	Gulf of Mexico
<i>Scorpaena calcarata</i>	Smoothhead scorpionfish	Gulf of Mexico
<i>Scyliorhinus retifer</i>	Chain catshark	Northeast US Fall, Northeast US Spring
<i>Scyllarides nodifer</i>	Ridged slipper lobster	Gulf of Mexico
<i>Scyllarus chacei</i>	Chace slipper lobster	Gulf of Mexico
<i>Sebastes alutus</i>	Pacific ocean perch	Aleutian Islands, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Sebastes aurora</i>	Aurora rockfish	West Coast Annual
<i>Sebastes babcocki</i>	Redbanded rockfish	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Sebastes borealis</i>	Shortraker rockfish	Aleutian Islands, Gulf of Alaska
<i>Sebastes brevispinis</i>	Silvergray rockfish	Gulf of Alaska, West Coast Triennial
<i>Sebastes chlorostictus</i>	Greenspotted rockfish	West Coast Annual
<i>Sebastes crameri</i>	Darkblotched rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes diploproa</i>	Splitnose rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes elongatus</i>	Greenstriped rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes entomelas</i>	Widow rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes fasciatus</i>	Acadian redfish	Northeast US Fall, Northeast US Spring
<i>Sebastes flavidus</i>	Yellowtail rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes goodei</i>	Chilipepper rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes helvomaculatus</i>	Rosethorn rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes jordani</i>	Shortbelly rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes melanostictus</i> and <i>S. aleutianus</i>	Blackspotted and rougheye rockfish	Aleutian Islands, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Sebastes melanostomus</i>	Blackgill rockfish	West Coast Annual
<i>Sebastes paucispinis</i>	Bocaccio	West Coast Annual, West Coast Triennial
<i>Sebastes pinniger</i>	Canary rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes polyspinis</i>	Northern rockfish	Aleutian Islands, Gulf of Alaska

<i>Sebastes proriger</i>	Redstripe rockfish	Gulf of Alaska, West Coast Triennial
<i>Sebastes ruberrimus</i>	Yelloweye rockfish	West Coast Triennial
<i>Sebastes saxicola</i>	Stripetail rockfish	West Coast Annual, West Coast Triennial
<i>Sebastes semicinctus</i>	Halfbanded rockfish	West Coast Annual
<i>Sebastes variabilis</i> and <i>S. ciliatus</i>	Dusky and dark rockfish	Aleutian Islands, Gulf of Alaska
<i>Sebastes variegatus</i>	Harlequin rockfish	Gulf of Alaska
<i>Sebastes zacentrus</i>	Sharpchin rockfish	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Sebastolobus alascanus</i>	Shortspine thornyhead	Aleutian Islands, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Sebastolobus altivelis</i>	Longspine thornyhead	West Coast Annual
<i>Selene setapinnis</i>	Atlantic moonfish	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Selene vomer</i>	Lookdown	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Serranus atrobranchus</i>	Blackear bass	Gulf of Mexico
<i>Serranus notospilus</i>	Saddle bass	Gulf of Mexico
<i>Serranus phoebe</i>	Tattler	Gulf of Mexico
<i>Sicyonia brevirostris</i>	Brown rock shrimp	Gulf of Mexico, Southeast US Spring
<i>Sicyonia dorsalis</i>	Lesser rock shrimp	Gulf of Mexico
<i>Solaster dawsoni</i>	Morning sun star	Aleutian Islands
<i>Solaster</i> sp. A (Clark 1997)	NA	Aleutian Islands
<i>Solenocera atlantidis</i>	Dwarf humpback shrimp	Gulf of Mexico
<i>Solenocera vioscai</i>	Humpback shrimp	Gulf of Mexico
<i>Sphoeroides dorsalis</i>	Marbled puffer	Gulf of Mexico
<i>Sphoeroides maculatus</i>	Northern puffer	Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Sphoeroides parvus</i>	Least puffer	Gulf of Mexico
<i>Sphoeroides spengleri</i>	Bandtail puffer	Gulf of Mexico
<i>Sphyrna borealis</i>	Northern sennet	Northeast US Fall
<i>Sphyrna guachancho</i>	Guachanche barracuda	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Sphyrna lewini</i>	Scalloped hammerhead	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Sphyrna tiburo</i>	Bonnethead	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Squalus acanthias</i>	Spiny dogfish	Northeast US Fall, Northeast US Spring, Southeast US Spring

<i>Squalus suckleyi</i>	Pacific spiny dogfish	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Squilla chydrea</i>	Offshore mantis shrimp	Gulf of Mexico
<i>Squilla empusa</i>	Mantis shrimp	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Squilla rugosa</i>	NA	Gulf of Mexico
<i>Stellifer lanceolatus</i>	Star drum	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Stenocionops coelatus</i>	Furcate spider crab	Gulf of Mexico
<i>Stenocionops furcatus</i>	Furcate spider crab	Gulf of Mexico
<i>Stenorhynchus seticornis</i>	Yellowline arrow crab	Gulf of Mexico
<i>Stenorhynchus yangi</i>	Red arrow crab	Gulf of Mexico
<i>Stenotomus caprinus</i>	Longspine porgy	Gulf of Mexico
<i>Stenotomus chrysops</i>	Scup	Northeast US Fall, Northeast US Spring
<i>Stephanolepis hispidus</i>	Planehead filefish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Stomolophus meleagris</i>	Cannonball jellyfish	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Strongylocentrotus fragilis</i>	Fragile sea urchin	West Coast Annual, West Coast Triennial
<i>Stylasterias forreri</i>	Velcro star	Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Stylocidaris affinis</i>	Pencil urchin	Gulf of Mexico
<i>Syacium gunteri</i>	Shoal flounder	Gulf of Mexico
<i>Syacium papillosum</i>	Dusky flounder	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Symphurus diomedeanus</i>	Spottedfin tonguefish	Gulf of Mexico
<i>Symphurus plagiatus</i>	Blackcheek tonguefish	Gulf of Mexico, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Syngnathus louisianae</i>	Chain pipefish	Southeast US Spring, Southeast US Summer
<i>Synodus foetens</i>	Inshore lizardfish	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Synodus intermedius</i>	Sand diver	Gulf of Mexico
<i>Synodus macrostigmus</i>	Largespot lizardfish	Gulf of Mexico
<i>Synodus poeyi</i>	Offshore lizardfish	Gulf of Mexico
<i>Tactostoma macropus</i>	Longfin dragonfish	West Coast Annual
<i>Talismania bifurcata</i>	Threadfin slickhead	West Coast Annual
<i>Tautoglabrus adspersus</i>	Cunner	Northeast US Fall

<i>Telmessus cheiragonus</i>	Helmet crab	Eastern Bering Sea, Northern Bering Sea
<i>Tetronarce californica</i>	Pacific electric ray	West Coast Annual, West Coast Triennial
<i>Thaleichthys pacificus</i>	Eulachon	Eastern Bering Sea, Gulf of Alaska, West Coast Annual, West Coast Triennial
<i>Thetys vagina</i>	Virgin salpa	West Coast Annual
<i>Thrissacanthias penicillatus</i>	NA	West Coast Annual
<i>Trachinocephalus myops</i>	Snakefish	Gulf of Mexico
<i>Trachinotus carolinus</i>	Florida pompano	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Trachurus lathami</i>	Rough scad	Gulf of Mexico, Northeast US Fall, Southeast US Spring
<i>Trachurus symmetricus</i>	Jack mackerel	West Coast Triennial
<i>Trichiurus lepturus</i>	Atlantic cutlassfish	Gulf of Mexico, Northeast US Fall, Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Trichopsetta ventralis</i>	Sash flounder	Gulf of Mexico
<i>Triglops forficatus</i>	Scissortail sculpin	Aleutian Islands
<i>Triglops pingelii</i>	Ribbed sculpin	Eastern Bering Sea, Northern Bering Sea
<i>Triglops scepcticus</i>	Spectacled sculpin	Aleutian Islands
<i>Trinectes maculatus</i>	Hogchoker	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Tritonia tetraquetra</i>	Large orange peel nudibranch	West Coast Annual
<i>Upeneus parvus</i>	Dwarf goatfish	Gulf of Mexico, Southeast US Spring, Southeast US Summer
<i>Urophycis chuss</i>	Red hake	Northeast US Fall, Northeast US Spring
<i>Urophycis cirrata</i>	Gulf hake	Gulf of Mexico
<i>Urophycis earllii</i>	Carolina hake	Southeast US Fall
<i>Urophycis floridana</i>	Southern hake	Gulf of Mexico, Southeast US Spring
<i>Urophycis regia</i>	Spotted hake	Northeast US Fall, Northeast US Spring, Southeast US Spring
<i>Urophycis tenuis</i>	White hake	Northeast US Fall, Northeast US Spring
<i>Vampyroteuthis infernalis</i>	Vampire squid	West Coast Annual
<i>Xeneretmus latifrons</i>	Blacktip poacher	West Coast Triennial
<i>Xiphopenaeus kroyeri</i>	Atlantic seabob	Southeast US Fall, Southeast US Spring, Southeast US Summer
<i>Xyrichtys novacula</i>	Pearly razorfish	Gulf of Mexico
<i>Zalemnius rosaceus</i>	Pink seaperch	West Coast Annual, West Coast Triennial
<i>Zaniolepis frenata</i>	Shortspine combfish	West Coast Annual

Zaniolepis latipinnis	Longspine combfish	West Coast Annual, West Coast Triennial
Zaprora silenus	Prowfish	Aleutian Islands, Gulf of Alaska
Zenopsis conchifer	Silvery john dory	Northeast US Fall, Northeast US Spring
Zoarces americanus	Ocean pout	Northeast US Fall, Northeast US Spring

APPENDIX II: SPECIES FILTERED AND REMOVED FROM DATASET, BY REGION

Region	Species Name	Common Name
Aleutian Islands	Actiniaria	Sea anemones
Aleutian Islands	Aforia	NA
Aleutian Islands	Agonidae	Alligatorfishes
Aleutian Islands	Alepocephalidae	Slickheads
Aleutian Islands	Aleutiaster	Ahearns star
Aleutian Islands	Allocareproctus	NA
Aleutian Islands	Ammodytes	sand lance unid.
Aleutian Islands	Amphipoda	Amphipods
Aleutian Islands	Annelida	Segmented worms
Aleutian Islands	Anomiidae	Jingle shells
Aleutian Islands	Anteliaster	NA
Aleutian Islands	Anthozoa	Sea anemones and corals
Aleutian Islands	Antipatharia	Thorny corals
Aleutian Islands	Antipathes	NA
Aleutian Islands	Antiplanes	NA
Aleutian Islands	Arctomelon	NA
Aleutian Islands	Argis	NA
Aleutian Islands	Ascidacea	Sea squirts
Aleutian Islands	Astarte	NA
Aleutian Islands	Asteroidea	Star fishes
Aleutian Islands	Bathyagonus	starsnout poacher unid.
Aleutian Islands	Bathylagidae	Deep sea smelts
Aleutian Islands	Bathylagus	blacksmelt unid.
Aleutian Islands	Bathymasteridae	Ronquils
Aleutian Islands	Bathypolypus	NA
Aleutian Islands	Beringius	NA
Aleutian Islands	Bivalvia	Bivalves
Aleutian Islands	Boreoscala sp.	NA
Aleutian Islands	Boreotrophon	NA
Aleutian Islands	Bothrocara	NA

Aleutian Islands	Brachiopoda	Lamp shells
Aleutian Islands	Brisaster	NA
Aleutian Islands	Bryozoa	Moss animals
Aleutian Islands	Bryozoichthys	NA
Aleutian Islands	Buccinidae	True whelks
Aleutian Islands	Buccinum	True whelks
Aleutian Islands	Cancer	Cancer crab
Aleutian Islands	Cardita	NA
Aleutian Islands	Careproctus	NA
Aleutian Islands	Caryophylliidae	Cupcorals
Aleutian Islands	Cephalopoda	Squids octopuses, nautilus, and ammonites
Aleutian Islands	Ceramaster	NA
Aleutian Islands	Ceratiidae	Seadevils
Aleutian Islands	Chaetognatha	Arrow worms
Aleutian Islands	Chauliodontinae	Viperfish unid.
Aleutian Islands	Cheiraster	NA
Aleutian Islands	Chiasmodontidae	Snaketooth fishes
Aleutian Islands	Chionoecetes hybrid	Hybrid Tanner crab
Aleutian Islands	Chirolophis	NA
Aleutian Islands	Chirostylus	NA
Aleutian Islands	Chlamys	NA
Aleutian Islands	Chorilia	NA
Aleutian Islands	Cirripedia	Barnacles
Aleutian Islands	Citharichthys	NA
Aleutian Islands	Cladaster	NA
Aleutian Islands	Clinocardium	NA
Aleutian Islands	Cnidaria	Jellyfish and alike
Aleutian Islands	Cottidae	Sculpins
Aleutian Islands	Cranchiidae	Glass squids
Aleutian Islands	Crangon	NA
Aleutian Islands	Crangonidae	Crangonid shrimp
Aleutian Islands	Crepidula	slipper shell
Aleutian Islands	Crossaster	NA
Aleutian Islands	Cryptonatica	NA
Aleutian Islands	Ctenodiscus	NA
Aleutian Islands	Ctenophora	Comb jellies
Aleutian Islands	Cyclocardia	NA
Aleutian Islands	Cyclopecten	NA
Aleutian Islands	Cyclopteridae	Lumpfishes
Aleutian Islands	Cyclothone	NA
Aleutian Islands	Decapodiformes	Squid unid.

Aleutian Islands	Dentalium	NA
Aleutian Islands	Diaphus	NA
Aleutian Islands	Diplopteraster	NA
Aleutian Islands	Dipsacaster	NA
Aleutian Islands	Echinacea	Sea urchins
Aleutian Islands	Echiura	Spoon worms
Aleutian Islands	Elassochirus	NA
Aleutian Islands	Elassodiscus	NA
Aleutian Islands	Emplectonema	NA
Aleutian Islands	Eualus	NA
Aleutian Islands	Eumicrotremus	NA
Aleutian Islands	Euphausiacea	Krill
Aleutian Islands	Evasterias	NA
Aleutian Islands	Fusitriton	NA
Aleutian Islands	Gadidae	Cods and haddocks
Aleutian Islands	Gastropoda	Sea snails
Aleutian Islands	Gephyreaster	NA
Aleutian Islands	Gonatopsis	NA
Aleutian Islands	Gonatus	NA
Aleutian Islands	Gonostomatidae	Bristlemouths
Aleutian Islands	Gymnelus	NA
Aleutian Islands	Gymnocanthus	NA
Aleutian Islands	Hapalogaster	NA
Aleutian Islands	Henricia	NA
Aleutian Islands	Heptacarpus	NA
Aleutian Islands	Hexagrammidae	Greenlings
Aleutian Islands	Hiatella	NA
Aleutian Islands	Hippasteria	NA
Aleutian Islands	Hippolytidae	Humpback prawns
Aleutian Islands	Hirudinea	Leeches
Aleutian Islands	Holothuroidea	Sea cucumbers
Aleutian Islands	Hyas	NA
Aleutian Islands	Hydroidolina	Hydroid unid.
Aleutian Islands	Hydrozoa	Hydroids
Aleutian Islands	Icelinus	NA
Aleutian Islands	Icelus	NA
Aleutian Islands	Isopoda	Pillbugs slaters, and woodlice
Aleutian Islands	Japelion	NA
Aleutian Islands	Japetella	NA
Aleutian Islands	Lamellaria	NA
Aleutian Islands	Lampanyctus	NA

Aleutian Islands	Latisipho sp.	NA
Aleutian Islands	Lebbeus	NA
Aleutian Islands	Leptagonus	NA
Aleutian Islands	Leptasterias	NA
Aleutian Islands	Leptychaster	NA
Aleutian Islands	Lethasterias	NA
Aleutian Islands	Lethotremus	NA
Aleutian Islands	Leuroglossus	NA
Aleutian Islands	Liparidae	Snailfishes
Aleutian Islands	Liparis	Snailfishes
Aleutian Islands	Lithodes	NA
Aleutian Islands	Lithodidae	Stone crabs and king crabs
Aleutian Islands	Lophaster	NA
Aleutian Islands	Luidia	NA
Aleutian Islands	Lycenchelys	Slipskin
Aleutian Islands	Lycodapus	NA
Aleutian Islands	Lycodes	NA
Aleutian Islands	Macoma	NA
Aleutian Islands	Macrouridae	Grenadiers
Aleutian Islands	Majidae	Spider crabs
Aleutian Islands	Malacocottus	NA
Aleutian Islands	Margarites	Margarite snails
Aleutian Islands	Mediaster	NA
Aleutian Islands	Megayoldia sp.	NA
Aleutian Islands	Melamphaidae	Bigscale fishes
Aleutian Islands	Melanostomiinae	Scaleless dragonfish unid.
Aleutian Islands	Metacrangon	NA
Aleutian Islands	Mollusca	Molluscs
Aleutian Islands	Muricidae	Murex snails
Aleutian Islands	Musculus	NA
Aleutian Islands	Muusoctopus	NA
Aleutian Islands	Mya	Gaper clams
Aleutian Islands	Myctophidae	Lanternfishes
Aleutian Islands	Myoxocephalus	Stellate sculpin
Aleutian Islands	Mysida	Mysid shrimps
Aleutian Islands	Mysidae	NA
Aleutian Islands	Mytilidae	Mussel unid.
Aleutian Islands	Mytilus	NA
Aleutian Islands	Nannobrachium	NA
Aleutian Islands	Natica	NA
Aleutian Islands	Naticidae	Moon snails

Aleutian Islands	Nearchaster	NA
Aleutian Islands	Nematoda	Roundworms
Aleutian Islands	Nemertea	Ribbon worms
Aleutian Islands	Nemichthyidae	Snipe eels
Aleutian Islands	Neoberingius	NA
Aleutian Islands	Neognathophausia	NA
Aleutian Islands	Neomenia	NA
Aleutian Islands	Neptunea	True whelks
Aleutian Islands	Notostomus	NA
Aleutian Islands	Nudibranchia	Sea slugs
Aleutian Islands	Octocorallia	Octocorals
Aleutian Islands	Octopodidae	Octopus unid.
Aleutian Islands	Octopus	NA
Aleutian Islands	Odontohenricia	NA
Aleutian Islands	Onchidiopsis	NA
Aleutian Islands	Oneirodes	NA
Aleutian Islands	Oneirodidae	Dreamers
Aleutian Islands	Ophidiidae	Cusk eels
Aleutian Islands	Ophiuroidea	Brittle stars
Aleutian Islands	Opisthoproctidae	Barreleyes
Aleutian Islands	Oregonia	NA
Aleutian Islands	Orthasterias	NA
Aleutian Islands	Osmeridae	Smelts
Aleutian Islands	Paguridae	Hermit crabs
Aleutian Islands	Pagurus	NA
Aleutian Islands	Pandalidae	Pandalid shrimps
Aleutian Islands	Pandalus	NA
Aleutian Islands	Panomys	NA
Aleutian Islands	Paralepididae	Barracudinas
Aleutian Islands	Paraliparis	NA
Aleutian Islands	Paralomis	NA
Aleutian Islands	Parantipathes	NA
Aleutian Islands	Parvamuonium sp.	NA
Aleutian Islands	Pectinidae	Scallops
Aleutian Islands	Pedicellaster	NA
Aleutian Islands	Penaeidae	Penaeid shrimps
Aleutian Islands	Pennatuloidae	Sea pens
Aleutian Islands	Petromyzontidae	Lampreys
Aleutian Islands	Platyhelminthes	Flatworms
Aleutian Islands	Plicifusus	NA
Aleutian Islands	Pododesmus	NA

Aleutian Islands	Polychaeta	Bristle worms
Aleutian Islands	Polycheles	NA
Aleutian Islands	Polycladida	Polyclad flatworm unid.
Aleutian Islands	Polyplocophora	Chitons
Aleutian Islands	Porifera	Sponges
Aleutian Islands	Protomyctophum	NA
Aleutian Islands	Pseudarchaster	NA
Aleutian Islands	Psychrolutes	NA
Aleutian Islands	Pteraster	Slime stars
Aleutian Islands	Pugettia	kelp crab
Aleutian Islands	Pycnogonida	Sea spiders
Aleutian Islands	Pyrulofusus	NA
Aleutian Islands	Raja	Skates
Aleutian Islands	Rajidae	Skates
Aleutian Islands	Rhynocrangon sp.	NA
Aleutian Islands	Scaphopoda	NA
Aleutian Islands	Scleractinia	Hard corals
Aleutian Islands	Sclerocrangon	NA
Aleutian Islands	Scopelosaurus	NA
Aleutian Islands	Scyphozoa	Jellyfishes
Aleutian Islands	Sebastes	Rockfish
Aleutian Islands	Sebastolobus	NA
Aleutian Islands	Sergestidae	Sergestid shrimps
Aleutian Islands	Serripes	NA
Aleutian Islands	Sipuncula	Peanut worms
Aleutian Islands	Solaster	NA
Aleutian Islands	Spirontocaris	NA
Aleutian Islands	Stenobrachius	NA
Aleutian Islands	Stichaeidae	Pricklebacks
Aleutian Islands	Strongylocentrotus	NA
Aleutian Islands	Stylasterias	NA
Aleutian Islands	Tarletonbeania	NA
Aleutian Islands	Tellina	NA
Aleutian Islands	Thaliacea	Salp unid.
Aleutian Islands	Triglops	NA
Aleutian Islands	Velutina	NA
Aleutian Islands	Volutomitra	NA
Aleutian Islands	Volutopsius	NA
Aleutian Islands	Yoldia	NA
Aleutian Islands	Zoanthus	NA
Aleutian Islands	Zoarcidae	Eelpouts

Eastern Bering Sea	Actiniaria	Sea anemones
Eastern Bering Sea	Admete viridula	NA
Eastern Bering Sea	Aforia	NA
Eastern Bering Sea	Agonidae	Alligatorfishes
Eastern Bering Sea	Ammodytes	sand lance unid.
Eastern Bering Sea	Amphipoda	Amphipods
Eastern Bering Sea	Ancistrolepis	NA
Eastern Bering Sea	Annelida	Segmented worms
Eastern Bering Sea	Anomiidae	Jingle shells
Eastern Bering Sea	Anthozoa	Sea anemones and corals
Eastern Bering Sea	Antipatharia	Thorny corals
Eastern Bering Sea	Antiplanes	NA
Eastern Bering Sea	Arctomelon	NA
Eastern Bering Sea	Argis	NA
Eastern Bering Sea	Artediellus	NA
Eastern Bering Sea	Ascidacea	Sea squirts
Eastern Bering Sea	Astarte	NA
Eastern Bering Sea	Asterias	NA
Eastern Bering Sea	Asteroidea	Star fishes
Eastern Bering Sea	Aulacofusus esychus	Esychus colus
Eastern Bering Sea	Bathyagonus	starsnout poacher unid.
Eastern Bering Sea	Bathymasteridae	Ronquils
Eastern Bering Sea	Bathypolypus	NA
Eastern Bering Sea	Beringius	NA
Eastern Bering Sea	Bivalvia	Bivalves
Eastern Bering Sea	Boreotrophon	NA
Eastern Bering Sea	Brachiopoda	Lamp shells
Eastern Bering Sea	Bryozoa	Moss animals
Eastern Bering Sea	Buccinidae	True whelks
Eastern Bering Sea	Buccinum	True whelks
Eastern Bering Sea	Calliostoma	NA
Eastern Bering Sea	Calyptraeidae	Slipper limpets
Eastern Bering Sea	Cancer	Cancer crab
Eastern Bering Sea	Capulidae	Hairy snails
Eastern Bering Sea	Cardita	NA
Eastern Bering Sea	Carditidae	Cardita clams
Eastern Bering Sea	Careproctus	NA
Eastern Bering Sea	Cephalopoda	Squids octopuses, nautilus, and ammonites
Eastern Bering Sea	Ceramaster	NA
Eastern Bering Sea	Chesnonia verrucosa	Warty poacher
Eastern Bering Sea	Chionoecetes hybrid	Hybrid Tanner crab

Eastern Bering Sea	Chirolophis	NA
Eastern Bering Sea	Chlamys	NA
Eastern Bering Sea	Cirripedia	Barnacles
Eastern Bering Sea	Citharichthys	NA
Eastern Bering Sea	Clinocardium	NA
Eastern Bering Sea	Clinopegma sp.	NA
Eastern Bering Sea	Cottidae	Sculpins
Eastern Bering Sea	Crangon	NA
Eastern Bering Sea	Crangonidae	Crangonid shrimp
Eastern Bering Sea	Crepidula	slipper shell
Eastern Bering Sea	Crossaster	NA
Eastern Bering Sea	Cryptonatica	NA

West Coast Triennial	Asteronyx longifissus	NA
West Coast Triennial	Atolla	NA
West Coast Triennial	Aulacofusus herendeeni	Thin-ribbed whelk
West Coast Triennial	Aurelia	Moon jellyfishes
West Coast Triennial	Bathyagonus	starsnout poacher unid.
West Coast Triennial	Bathyagonus infraspinus	Spinycheek starsnout
West Coast Triennial	Bathybembix bairdii	NA
West Coast Triennial	Bathylagidae	Deep sea smelts
West Coast Triennial	Bathylagus	blacksmelt unid.
West Coast Triennial	Bathymasteridae	Ronquils
West Coast Triennial	Bathyplores	NA
West Coast Triennial	Bathypolypus	NA
West Coast Triennial	Batrachoididae	Toadfishes
West Coast Triennial	Benthalbella dentata	Northern pearleye
West Coast Triennial	Benthopectinidae	NA
West Coast Triennial	Bivalvia	Bivalves
West Coast Triennial	Bothidae	Lefteye flounders
West Coast Triennial	Bothrocara brunneum	Twoline eelpout
West Coast Triennial	Brachiopoda	Lamp shells
West Coast Triennial	Brisaster	NA
West Coast Triennial	Bryozoa	Moss animals
West Coast Triennial	Buccinum	True whelks
West Coast Triennial	Callianassa	NA
West Coast Triennial	Calliostoma	NA
West Coast Triennial	Cancer	Cancer crab
West Coast Triennial	Careproctus	NA
West Coast Triennial	Careproctus cypselurus	Falcate snailfish
West Coast Triennial	Careproctus rastrinus	Salmon snailfish
West Coast Triennial	Cephaloscyllium ventriosum	Swell shark
West Coast Triennial	Ceramaster	NA
West Coast Triennial	Chauliodontinae	Viperfish unid.
West Coast Triennial	Chionoecetes	NA
West Coast Triennial	Chiroteuthis	NA
West Coast Triennial	Chrysaora	Sea nettles
West Coast Triennial	Chrysopathes speciosa	Gaudy black coral
West Coast Triennial	Citharichthys	NA
West Coast Triennial	Citharichthys xanthostigma	Longfin sanddab
West Coast Triennial	Coelorinchus scaphopsis	Shoulderspot grenadier

West Coast Triennial	Colus griseus	Gray whelk
West Coast Triennial	Corallimorphus	NA
West Coast Triennial	Coryphaenoides acrolepis	Pacific grenadier
West Coast Triennial	Cottidae	Sculpins
West Coast Triennial	Cranchia scabra	Rough cranch squid
West Coast Triennial	Crangon	NA
West Coast Triennial	Crangonidae	Crangonid shrimp
West Coast Triennial	Crossaster	NA
West Coast Triennial	Crustacea	Crustaceans
West Coast Triennial	Ctenophora	Comb jellies
West Coast Triennial	Cucumaria	NA
West Coast Triennial	Cyanea	NA
West Coast Triennial	Cyclocardia	NA
West Coast Triennial	Decapodiformes	Squid unid.
West Coast Triennial	Diaphus	NA
West Coast Triennial	Dipsacaster	NA
West Coast Triennial	Echidnocerus	NA
West Coast Triennial	Echinacea	Sea urchins
West Coast Triennial	Echiura	Spoon worms
West Coast Triennial	Elassodiscus caudatus	Blackbelly snailfish
West Coast Triennial	Embiotocidae	NA
West Coast Triennial	Euphausiacea	Krill
West Coast Triennial	Eurypharynx pelecanooides	Pelican eel
West Coast Triennial	Euspira	NA
West Coast Triennial	Florometra	NA
West Coast Triennial	Galatheididae	Galatheid crab unid.
West Coast Triennial	Gastropoda	Sea snails
West Coast Triennial	Gersemia	sea raspberry
West Coast Triennial	Gonatus	NA
West Coast Triennial	Gonatus berryi	Berry armhook squid
West Coast Triennial	Gonatus californiensis	California armhook squid
West Coast Triennial	Gonatus pyros	Fiery armhook squid
West Coast Triennial	Gorgonacea	Gorgonian corals
West Coast Triennial	Halichondria (Halichondria) panicea	Breadcrumb sponge
West Coast Triennial	Halocynthia	NA
West Coast Triennial	Henricia	NA
West Coast Triennial	Hexactinellida	Glass sponges
West Coast Triennial	Hexagrammidae	Greenlings
West Coast Triennial	Hexagrammos	Greenlings
West Coast Triennial	Hippasteria	NA
West Coast Triennial	Hippasteria lepidonotus	Pebbly star

West Coast Triennial	Hippoglossina stomata	Bigmouth flounder
West Coast Triennial	Histioteuthis	jewel squids
West Coast Triennial	Holothuroidea	Sea cucumbers
West Coast Triennial	Hormathiidae	NA
West Coast Triennial	Hyas	NA
West Coast Triennial	Isopoda	Pillbugs slaters, and woodlice
West Coast Triennial	Japetella heathi	NA
West Coast Triennial	Lampanyctus	NA
West Coast Triennial	Lampanyctus regalis	Pinpoint lampfish
West Coast Triennial	Latisipho sp.	NA
West Coast Triennial	Lepidopus fitchi	Pacific scabbardfish
West Coast Triennial	Leptocephalus	Eel larvae
West Coast Triennial	Leptychaster	NA
West Coast Triennial	Lestidiops ringens	Slender barracudina
West Coast Triennial	Leuroglossus schmidtii	Northern smoothtongue
West Coast Triennial	Leuroglossus stilbius	California smoothtongue
West Coast Triennial	Liparidae	Snailfishes
West Coast Triennial	Liparis	Snailfishes
West Coast Triennial	Lithodidae	Stone crabs and king crabs
West Coast Triennial	Lophaster	NA
West Coast Triennial	Loxorhynchus crispatus	Moss crab
West Coast Triennial	Luidia	NA
West Coast Triennial	Lycodapus	NA
West Coast Triennial	Lyconema barbatum	Bearded eelpout
West Coast Triennial	Macrouridae	Grenadiers
West Coast Triennial	Magnisudis atlantica	Duckbill barracudina
West Coast Triennial	Malacocephalus laevis	Softhead grenadier
West Coast Triennial	Malacosteinae	Loosejaw unid.
West Coast Triennial	Maulisia	NA
West Coast Triennial	Mediaster	NA
West Coast Triennial	Melamphaidae	Bigscale fishes
West Coast Triennial	Melanostomiinae	Scaleless dragonfish unid.
West Coast Triennial	Metacarcinus anthonyi	Yellow rock crab
West Coast Triennial	Metridium	NA
West Coast Triennial	Mollusca	Molluscs
West Coast Triennial	Molpadia	NA
West Coast Triennial	Mustelus	NA
West Coast Triennial	Mya	Gaper clams
West Coast Triennial	Mycale (Mycale) loveni	Loven's horny sponge
West Coast Triennial	Myctophidae	Lanternfishes
West Coast Triennial	Mytilidae	Mussel unid.

West Coast Triennial	Myxinidae	Hagfishes
West Coast Triennial	Myxoderma sacculatum	Giant slimy star
West Coast Triennial	Natica	NA
West Coast Triennial	Naticidae	Moon snails
West Coast Triennial	Nearchaster	NA
West Coast Triennial	Nemichthyidae	Snipe eels
West Coast Triennial	Neognathophausia gigas	Giant red mysid
West Coast Triennial	Neognathophausia ingens	Giant red mysid
West Coast Triennial	Neomenia	NA
West Coast Triennial	Neoscopelus macrolepidotus	Large scaled lantern fish
West Coast Triennial	Neptunea	True whelks
West Coast Triennial	Neptunea ithia	NA
West Coast Triennial	Nezumia stelgidolepis	California grenadier
West Coast Triennial	Nudibranchia	Sea slugs
West Coast Triennial	Octocorallia	Octocorals
West Coast Triennial	Octopodidae	Octopus unid.
West Coast Triennial	Ommastrephidae	NA
West Coast Triennial	Oncorhynchus	salmon unid.
West Coast Triennial	Oneirodidae	Dreamers
West Coast Triennial	Onychoteuthidae	NA
West Coast Triennial	Onychoteuthis borealijaponica	Boreal clubhook squid
West Coast Triennial	Ophidiidae	Cusk eels
West Coast Triennial	Ophiopholis	NA
West Coast Triennial	Ophiura	NA
West Coast Triennial	Ophiuroidea	Brittle stars
West Coast Triennial	Opisthoteuthis albatrossi	NA
West Coast Triennial	Osmeridae	Smelts
West Coast Triennial	Paguridae	Hermit crabs
West Coast Triennial	Pagurus	NA
West Coast Triennial	Pandalidae	Pandalid shrimps
West Coast Triennial	Pandalus	NA
West Coast Triennial	Pandalus amplus	Deepwater bigeye
West Coast Triennial	Paralepididae	Barracudinas
West Coast Triennial	Paraliparis	NA
West Coast Triennial	Paraliparis cephalus	Swellhead snailfish
West Coast Triennial	Paraliparis dactylosus	Red snailfish
West Coast Triennial	Paraliparis pectoralis	Pectoral snailfish
West Coast Triennial	Parastichopus	NA
West Coast Triennial	Parmaturus xaniurus	Filetail catshark
West Coast Triennial	Pasiphaeidae	Pasiphaeid shrimp unid.
West Coast Triennial	Pectinidae	Scallops

West Coast Triennial	Penaeidae	Penaeid shrimps
West Coast Triennial	Pennatuloidae	Sea pens
West Coast Triennial	Pentamera	NA
West Coast Triennial	Pentamera lissoplaca	Crescent sea cucumber
West Coast Triennial	Petromyzontidae	Lampreys
West Coast Triennial	Pisaster	NA
West Coast Triennial	Platyhelminthes	Flatworms
West Coast Triennial	Platyroctidae	Tubeshoulders
West Coast Triennial	Pleuronectiform larvae	NA
West Coast Triennial	Pleuronichthys coenosus	C o sole
West Coast Triennial	Polychaeta	Bristle worms
West Coast Triennial	Polycladida	Polyclad flatworm unid.
West Coast Triennial	Polynoidae	Scaleworms
West Coast Triennial	Porichthys	NA
West Coast Triennial	Porifera	Sponges
West Coast Triennial	Prionotus stephanophrys	Lumptail searobin
West Coast Triennial	Pseudarchaster	NA
West Coast Triennial	Pseudostichopus	NA
West Coast Triennial	Psolus	NA
West Coast Triennial	Pteraster	Slime stars
West Coast Triennial	Pugettia	kelp crab
West Coast Triennial	Rajidae	Skates
West Coast Triennial	Rhabdocalypus	cloud sponge
West Coast Triennial	Rhinoliparis attenuatus	Slim snailfish
West Coast Triennial	Scleractinia	Hard corals
West Coast Triennial	Scombridae	Mackerels, tuna, bonitos
West Coast Triennial	Scorpaena guttata	California scorpionfish
West Coast Triennial	Scyliorhinidae	NA
West Coast Triennial	Scyphozoa	Jellyfishes
West Coast Triennial	Sebastes	NA
West Coast Triennial	Sebastes	Rockfish
West Coast Triennial	Sebastes lentiginosus	Freckled rockfish
West Coast Triennial	Sergestes	NA
West Coast Triennial	Sergestidae	Sergestid shrimps
West Coast Triennial	Serrivomer sector	Sawtooth eel
West Coast Triennial	Sigmops gracilis	Slender fangjaw
West Coast Triennial	Sipuncula	Peanut worms
West Coast Triennial	Solaster	NA
West Coast Triennial	Solengaster sp.	NA
West Coast Triennial	Spatangus californicus	California heart urchin
West Coast Triennial	Squatina californica	Pacific angelshark

West Coast Triennial	<i>Stegophiura ponderosa</i>	NA
West Coast Triennial	Sternoptychidae	Hatchetfish unid.
West Coast Triennial	Stichaeidae	Pricklebacks
West Coast Triennial	<i>Stomias atriventer</i>	Black-belly dragonfish
West Coast Triennial	Stomphia	NA
West Coast Triennial	Stromateidae	NA
West Coast Triennial	Strongylocentrotus	NA
West Coast Triennial	Stylatula	slender seawhips
West Coast Triennial	<i>Symbolophorus californiensis</i>	Bigfin lanternfish
West Coast Triennial	Synodontidae	NA
West Coast Triennial	<i>Taonius pavo</i>	Peacock cranch squid
West Coast Triennial	Tarletonbeania	NA
West Coast Triennial	Tethya	ball sponge
West Coast Triennial	Thaliacea	Salp unid.
West Coast Triennial	<i>Triakis semifasciata</i>	Leopard shark
West Coast Triennial	Trichiuridae	NA
West Coast Triennial	Tritonia	NA
West Coast Triennial	Urticina	NA
West Coast Triennial	<i>Vampyroteuthis infernalis</i>	Vampire squid
West Coast Triennial	Virgularia	smoothstem seawhip
West Coast Triennial	Virgulariidae	NA
West Coast Triennial	<i>Xystreureys liolepis</i>	Fantail flounder
West Coast Triennial	Yoldia	NA
West Coast Triennial	Zoarcidae	Eelpouts
